Gwen opened the meeting at 1:05 by welcoming all members and a recap of the season. Pink Week raised almost $23,000.00 which was an all time record. We also raised over $10,000.00 for the Palmetto Elementary School.

On the social side we had our member appreciation event, afternoon tee times followed by Happy Hour and there will be one more afternoon tea time on Tuesday, April 28 where we will play 18 holes around noon and the 9 hole LGA will play 9 holes around 2:00 and join us in outdoor Café for Happy Hour.

The weather played a factor in many events…..we had to cancel the Annual Shotgun Luncheon because of the freezing temperatures but over 50 people attended the meeting! The 4 Member Tournament became a one day event due to rain and the Club Championship was delayed because of rain.

Cindy Stelter reported that our beginning balance was $3,741 with income of $11,275. There is an ending balance of $3,400 and part of our surplus paid for lunch today!

Mari Jaffe reported that the score cards are updated to show birdies and chip ins and that the chip in fee is now $1.00. Cindy Stelter designed the birdie chart which was on display. There were a total of 119 birdies with Betsy Nelson winning 23! There were 3 hole in one's-
